FCC - MAIL ROOM

To the FCC,

I am writing in reference to  
NBS Docket No. 04-233. The proposal  
to expand the service of LPTT stations  
would be detrimental.

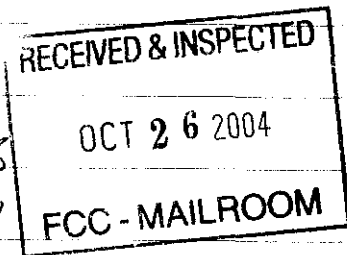

My family listens to K-Love, (11.3)  
which is broadcast across the nation on  
FM transmitters. We listen to this station  
more than any other. My husband and

I am both a good supporter and our  
four children love it as well. This is  
a wholesome station that our whole  
family can enjoy together. It is one  
of the few (if not only) stations that  
is safe for everyone.

The music on this station is  
uplifting. The radio personalities make  
you laugh, make you think and  
in the process, encourage you to make  
better choices in how you live and  
treat others. Please do not allow K-Love  
to be disrupted. Thank you for your attention.  
This matter,  
Sincerely, <sup>K</sup>Steve Winters

concerning MB Docket No. 04-233

Hope Gentile  
1210 E. 22<sup>nd</sup> St apt 53  
Marysville, CA 95901

Dear Sirs:

K-love is a help day by day  
for a cheerful LIFE.

IF KLOVE was displaced by  
other programming it would be  
a sad time for our family.  
KLOVE gives information  
and encouragement to all  
in our area.

Thank You  
Hope Gentile

Dear FCC,

MB Docket No. 04-233

K-Love radio station serves my family each day in Raleigh, NC and we love it!!!! My kids always comment "Can we turn it to K-Love?" If I need to turn it off they grumble especially my teen.

Please don't allow us to be without it's encouraging daily message through music and limited commercials if any.

~~We don't want the LPPM to cause us to loose K-Love!~~

~~It is in the public interest to allow K-Love to continue serving as many cities across the US as possible because of it's positive messages in music. We all need encouragement in a sometimes perverse crazy world in which we live.~~

Joe, Melissa (and kids) Langston  
[jm242@msn.com](mailto:jm242@msn.com)/919-845-9645

To the Federal  
Communications Commission

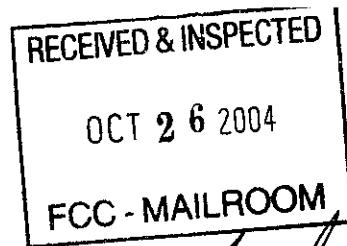

I would like to comment  
on "MB Docket No. 04-233"  
which is currently under  
consideration. During my day,  
I listen either to National  
Public Radio (25% of my time) and/or  
K-Love (75%). My day is truly  
enriched by the music and  
encouragement I hear on  
K-Love. I am sure that many  
others in my community are  
listeners as well. I have told  
many friends about the radio  
station and now they have  
spread the word. Those  
who I talk to love it!

Please do not replace

the K-Love station in this area with an LPFM broadcaster. The K-Love station is the only Christian station that is fully publicly supported with no commercials and it has fantastic music and messages for me and for my community. Words cannot fully explain the importance of this station in my life. I only can tell you that each day is much richer because of what I hear on K-Love.

Thank you for listening.  
Lisa Lockwood  
Cincinnati, Ohio

Dear Sir:

10/21/04

I am concerned about the Localism campaign - reference "MB Docket No. 04-233"  
I enjoy K-LOVE radio station because the station has family-friendly programs which everyone enjoys. K-LOVE <sup>90.7</sup> supports wholesome values and has a positive impact on communities. Keep the station on the air.  
Sandra Cotton

RE: MB DOCKET NO. 04-233

DEAR FCC,

I ABSOLUTELY LOVE THE  
PRAISE & WORSHIP MUSIC AND THE  
MINISTRY THAT K-LOVE PROVIDES  
IN MY COMMUNITY ON FM 91.1.

IF K-LOVE WERE TO BE  
DISPLACED BY AN LPFM BROADCASTER  
PROVIDING OTHER PROGRAMMING,

I FEEL WOULD IMPACT THE  
CHRISTIANS IN OUR COMMUNITY BY  
<sup>NOT BEING ABLE</sup>  
TO ENJOY ~~THE~~ THE BEAUTIFUL P&W  
MUSIC, BUT MORE IMPORTANTLY  
THE NON-CHRISTIANS BY PERHAPS  
TURNING TO THIS STATION AND  
BE TOUCHED BY THIS BLESSED  
MINISTRY.

THE SERVICE PROVIDED BY  
K-LOVE IS DEFINITELY IN  
THE PUBLIC INTEREST. THEY ARE  
SHARING GOD'S LOVE FOR EVERYONE!  
GOD BLESS YOU! <sup>=♡</sup> COOKIE LUSCH

FCC - MAILROOM

To Whom It May Concern,

I am writing in regard to the  
"MB Docket No. 04-233."

I listen 24-7 to a radio station  
called "K-LOVE". It comes from a local  
station 104.3 (from Cincinnati) that Broad-  
casts from California. I have talked to  
hundreds of people who listen faithfully.  
If K-LOVE were to be replaced by an LPFM  
broadcaster that provides other programming  
the effects would be major for thousands of  
people. It would affect my life and daily  
living - as ~~this~~ station encourages and uplifts

GOD BLESS AMERICA

me. I have even looked for vacation  
homes across the U.S. but if K-LOVE  
is not broadcast there, I stop looking.  
I believe that the service provided by  
K-LOVE is in the best interest of the  
public. God Bless!

Sincerely, Jane Noel

FCC - MAILROOM

To whom it may concern,

I am writing ~~you~~ on  
Concerns of losing the only radio  
station that I listen to, which  
is K-LOVE on 106.7 (88.9)

I am a health care worker  
for Hospice, which cares for  
people who are terminally ill  
with six months or less to live.  
Some days I will visit anywhere  
from 6 to 8 patients and drive  
over a hundred miles a day M-F.  
My job on some days is overwhelming  
and to be able to get in my  
car, inbetween patient visits  
and listen to the uplifting  
music that K-LOVE plays is  
very important to me. The music  
lifts my spirit which in turn  
I am able to hopefully lift  
the spirits of my patients and  
their family members. Also  
I have called K-LOVE's prayer  
line and know that their staff  
prays for me and my requests.

My husband and many of our  
friends also listen to K-LOVE.

It would be a great injustice  
to lose K-LOVE and it to be

replaced by an LPFM broadcaster  
providing other programming.

Please don't replace K-Love!

Thank you and  
May God bless and keep  
you.

Randy & Mary Baugus

FCC-MAIL ROOM

As a resident of the Denver, Colo. metro area. K LOVE has been and still is a Life line to the LORD! for my children & myself. We are so thankful to have a positive, wholesome & fun, radio station to listen to. We're also so thankful that as we travel across the U.S. we have Christian Radio Stations to listen to. K Love & others

If we don't have K Love in this area or any other area, it will fail all of us. As Christians or believers we will miss being able to worship all day every day. The non believers won't have any chance to hear the word on radio. What a shame & lost opportunity to share the WORD!

When we turn on the radio & can't get K Love to come in for some reason we turn

the dial to another popular local station. we can only listen for 1 or 2 mins. max & then shut it off, because of many, many inappropriate & bad comments.

Please don't take away our stabilizing radio station from believers & especially for the non believers.

Thank you  
Sincerely

Becky & Mugg

October 22, 2004

Dear FCC:

I write with concern that Low Power FM stations may take priority over current FM translator, K-LOVE.

K-LOVE serves me as a resident of Sioux Falls, SD on 91.3 FM with upbeat, positive, and encouraging music and radio announcers, without bad language or commercials.

K-LOVE encourages people of all ages. I feel, especially, for the youth, who want to listen to enjoyable and upbeat music, and really need to hear positive, encouraging messages, while they are dealing with peer pressure and other stresses of life.

K-LOVE provides this alternative.

K-LOVE, which is heard all over the country, encouraged people to attend Life Light, a large Christian Music Festival in Sioux Falls, that brought approximately 200,000 people from South Dakota and surrounding states.

If K-LOVE were to be displaced by an LPFM broadcaster providing other programming in Sioux Falls, not only would this leave Sioux Falls and many other locations without this positive, alternative music, but also, I believe increase the number of troubled families. Who doesn't need encouragement? For some people, this is the only place they get that encouragement.

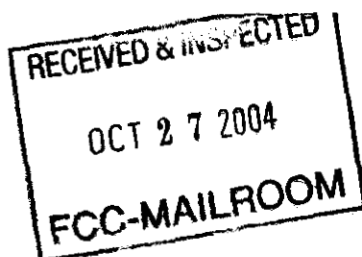

I donate money each month to K-LOVE because I believe in the importance of keeping K-LOVE in Sioux Falls and as many other

locations as possible.

Thank you for your time and attention to this concern.

Sincerely,  
Kurt Pease

FCC-

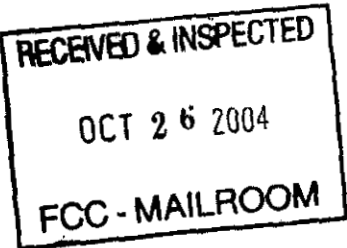

Never before have I enjoyed music in a "stress-free" environment with my children. I can turn it on and not have to worry that they may hear something they should not. I get news from the national scene. I do not wish to have my K-Love reception interrupted or replaced or tampered with. It is too vital for Christian families in this area who have very few alternative stations that are decent with decent music.

Lisa Hendeen

K-Love Supporter

re: MB Docket 04-233

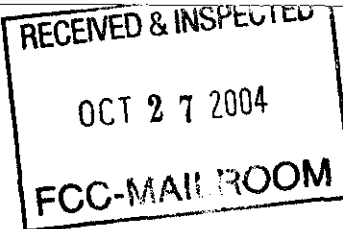

To whom it may concern at the Federal Communications Commission,  
This is a comment regarding MB Docket No. 04-233.  
I was recently notified that the radio station "KLOVE"  
was in threat by LPFM, and a proposition to make  
LPFM a priority over existing FM translators.  
As a financial supporter of K-LOVE, I appreciate the  
radio station in my community. It is the only radio  
station I listen to because it is ethically and morally  
safe. I also realize many parents listen to KLOVE  
knowing that their children do not need to encounter  
the filth that most other radio stations air. Not only  
does KLOVE function without the trash of other stations,  
but it also promotes good, moral, healthy living.  
KLOVE helps encourage and shape children and adults  
into ethical caring people. Besides their quality radio  
service, they provide counseling to listeners and have pastors  
available to talk to.  
If KLOVE were to be taken off the air, there would  
be many people finding alternatives to radio.  
The work of KLOVE changes lives, there would be no  
good thing to come of its ending... in any community.

A concerned citizen,

Christina Daumer

Re: MB Docket No. 04-233

**Subject: I ask that you consider my comments below and not allow the LPFM service to expand and take over existing FM translator stations in my community. There is a translator station I listen to almost exclusively that would greatly missed in my area.**

Dear Federal Communications Commission Members:

It has come to my attention that the FCC is considering increasing the number of Low Power FM stations in our area which may disrupt the broadcast of a much desired FM translator station in the Boise, ID area. I believe this is unnecessary and may even have an adverse effect on me and my family. Below are several reasons for my opinion.

I am a big fan of Air 1, a national Christian station based in the Sacramento area which is broadcast in my local area. Since having kids I have come to appreciate the station for its better quality broadcasting both morally and professionally. I can leave the radio on without worrying about what crude comments me, my kids and our friends may hear. We do have one other Christian station in our area but this station plays a more easy listening style of music which I do not enjoy. Also this station has occasionally made comments in front of my kids I do not want them to hear.

If I could be guaranteed the same broadcasting quality and content on a new LPFM station that would come to the area I would have no problem with your decision to expand this service. However I do not think that will happen. We are a small market and the community can barely afford the one Christian station we have. Because of Air 1's size, it is able to get interviews from some of my favorite artists and offer opportunities to go to concerts out of my area. I would not be able to enjoy this luxury if a local station took over their translator. A station with a large listener base is able to provide quality and enjoyable programming in small communities that would otherwise be unable to afford their support; an economy of scale.

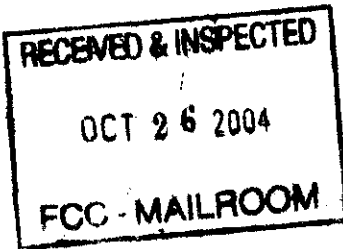

Lastly, it is a comfort to be able to listen to Air 1 where ever I travel. When I used to travel I would miss the music I listened to at home. Now I am able to find Air 1 almost everywhere I travel which is a great comfort.

Therefore I request that you consider my comments and not allow the LPFM service to expand and take over existing FM translator stations.

Respectfully,

A handwritten signature in cursive script, appearing to read "Bonnie Wilkerson".

Reference- MB Docket No. 04-233

Dear FCC,

My name is Valerie Corey and I am a very faithful listener to the radio station K-Love. In a world that is so full of negativity and discouragement K-Love F.M. radio is my saving grace. I am writing to you because I have learned that you are proposing to expand Low Power FM stations to take priority over current FM translator service. This news is very upsetting to me! K-LOVE serves me in my community in a very positive way and if I were unable to get K-LOVE I don't know what I would listen to as there is nothing but 'trash' on the radio these days. In our community, like so many others, there are so many negative influences out there effecting the lives of so many for the bad. K-LOVE is so positive and encouraging and loosing this wonderful radio station would be devastating. PLEASE I implore you do not give priority to Low Power FM over FM translator service and leaving me, my community without our K-LOVE signal. K-LOVE provides such a valuable service to the public and taking that away would be just 'criminal'. PLEASE, do not do this to us, the faithful- and there are many, K-LOVE listeners. Thank you for your time and I pray your understanding.

Sincerely,  
Valerie Corey  

Dear FCC,

It has come to my attention that an expanded proposal for LPFM may affect my ability to receive my favorite radio station K-LOVE. My family and friends depend a great deal on this particular radio station for its positive and encouraging content. From my young children to my adult children - it is a radio station we all enjoy. It has helped us grow in our faith and kept us in touch with what is most important to us. I find it to be an oasis in a dry place. I urge you to consider the impact such a decision would have on the hundreds of thousands just like my family. It would be taking something that has encouraged me thru many hard times and reminds me of the good and helps me achieve my goal of living with hope in my heart.

I am referring to "MB Docket No. 04-233."

Thank you for your time.

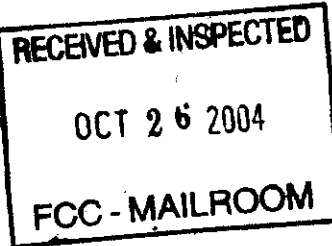

Sincerely,

Marie D. Boll (and family)

October 16, 2004

To Whom It May Concern;

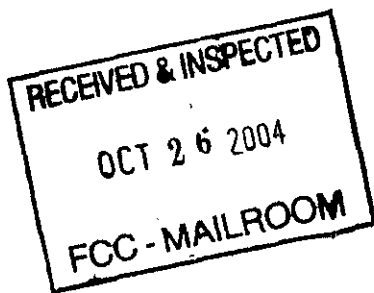

I am writing regarding MB Docket No. 04-233. It has come to my attention that the FCC has introduced a new broadcast service, LPFM, in recent years. My concern is that the proposal to expand this service in a way that will allow these stations to take priority over current FM translator service will negatively effect one of my favorite stations, K-LOVE.

If the changes leave me without this signal, I would miss the wholesome and positive music and messages that this station continues to bring as I listen in my car on short trips, in my home, and even as I travel up and down the San Joaquin Valley of California. Please preserve this service that I value. I am praying that K-LOVE will not be forced off the air in the areas they serve. We need positive sounds in this often noisy, stress-filled world in which we live.

Thank you,

Lori R. Wenger

Dear FCC:

RE: MB Docket No. 04-233

The purpose of my letter is to register our comments regarding the possibility of your replacing FM translator service with LPFM service. We understand that by doing this, that you may be placing current FM service in jeopardy.

Our family listens to K-LOVE, which is a Christian, family-oriented radio station on 88.9 FM. This station offers music that is upbeat, positive, and encouraging. We have a 14-year old son, and we know that when he is listening to K-LOVE, he is being encouraged in his faith and in accordance with our family's values.

We enjoy not only the music, but the public service announcements and news as well. We're kept informed about the current news from around the world and current events in the Christian community as well. We are also encouraged in our civic responsibilities to get involved in our communities to help them become a better place to live for everyone.

K-LOVE is a wholesome source of entertainment and information not only for my family, but for nearly all Christians in this community and across America. It is a well-known, beloved radio station, and we cannot imagine our day without it. We urge you to PLEASE not take action to extinguish this beacon of light in our nation. Thank you.

Respectfully,

A handwritten signature in cursive script that reads "John & Pam Chitwood".

Re: MB Docket #04-233  
LPRM Stations

I am writing concerning the future of the K-Love Christian Radio Network, currently distributed via FM translators. In my opinion, it is in the country's best interest to keep stations like K-Love in operation. Firstly, the station's faith-based message, both in the music and on-air personalities, keeps me focused on my religious faith; this helps me to be a more active, contributing member of society.

Additionally, if K-Love is displaced by an LPRM station, there will be less of a family-values-oriented influence both locally and in the culture at large. Considering what sorts of problems plague our society, and how costly they are, anything that promotes the best in citizens can only benefit everyone.

1386 ParkWay Court  
Fairfield, OH 45014

Federal Communication Commission  
445 12th Street SW  
Washington DC 20554

To Whom It May Concern:

I am writing you this letter in reference to MB Docket 04-233 of having Low Power FM radio stations (LPFM) taking priority over current FM Translator Service in which K-LOVE Radio is a member.

I listen to K-love radio in Cincinnati, OH (104.3FM). K-LOVE is a Christian radio that plays wholesome and has encouraging messages 24 hours a day. It has been a positive and an encouraging influence to me, my family, and to my community.

Replacing K-LOVE Radio with a LPFM Station will be a bad, and a negative influence to me, my family, and to my community.

I am asking you to reconsider "MB Docket No. 04-233" in expanding the LPFM Radio Stations to take priority over FM Translator Service. Please let myself, my family, and my community continue to listen to positive and encouraging radio that K-LOVE Radio offers to Cincinnati, OH.

Thank you for attention, time, and effort in this important matter.

Sincerely,

*Catherine A. Kane*
